Sec. 32-101.17 - Qualifications of licensee

(a) No license for the sale of alcoholic beverages shall be granted to any person who is not a citizen of the United States or an alien lawfully admitted for permanent residence. The applicant must not be less than 21 years of age.

(b) No person shall be granted any alcoholic beverage license unless proper information establishes to the satisfaction of the city council or its designee that such person, partners in the firm, officers and directors of the corporation have not been convicted or pled guilty or entered a plea of nolo contendere, and have been released from parole or probation, to any crime involving moral turpitude, illegal gambling or illegal possession or sale of controlled substances or the illegal possession or sale of alcoholic beverages, including the sale or transfer of alcoholic beverages to minors in a manner contrary to law, keeping a place of prostitution, pandering, pimping, public indecency, prostitution, solicitation of sodomy, or any sexually-related crime within a period of two years immediately prior to the filing of such application. At the time an application is submitted for any alcoholic beverage license, the applicant shall, by a duly sworn affidavit, certify that neither the applicant, nor any of the other owners of the establishment, has been so convicted in the two years preceding the filing of the application. An applicant's first time conviction for illegal possession of alcohol as a misdemeanor or violation of a city ordinance shall not, by itself, make an applicant ineligible for an alcohol license. If any applicant, partner, or officer used in the sale or dispensing of any alcoholic beverage, after a license has been granted, be convicted or plead guilty or nolo contendere to a crime involving moral turpitude, illegal gambling or illegal possession or sale of controlled substances or the illegal possession or sale of alcoholic beverages, including the sale or transfer of alcoholic beverages to minors in a manner contrary to law, keeping a place of prostitution, pandering, pimping, public indecency, prostitution, solicitation of sodomy, or any sexual related crime, then the license shall be immediately revoked and canceled.

(c) No license for the sale of alcoholic beverages shall be granted to any person convicted under any federal, state or local law of any felony, within five years prior to the filing of application for such license.

(d) It shall be unlawful for any city employee directly involved in the issuance of alcoholic beverage licenses under this chapter to have any whole, partial or beneficial interest in any license to sell alcoholic beverages in the city.

(e) No license for the sale of alcoholic beverages shall be granted to any person who has had any license issued under the police powers of the city previously revoked within two years prior to the filing of the application.

(f) The city council may decline to issue a license when any person having any ownership interest in the operation of such place of business or control over such place of business does not meet the same requirements as set forth in this section for the licensee.

(g) A license application may be denied to any applicant for any alcoholic beverage license if the applicant lacks adequate participation in the proposed business to direct and manage its affairs, or if the application is intended to be a mere surrogate for a person or persons who would not otherwise qualify for a license for any reason whatsoever. Each person signing an application for a license under this chapter must file concurrently with the application a sworn affirmation as to his interest and/or involvement with the entity seeking the license.

(h) For purposes of this chapter, a conviction or plea of guilty or nolo contendere shall be ignored as to any offense for which a defendant was allowed to avail themselves of the Georgia First Offender Act (1968 Ga. Laws, page 324), as amended. Except, however, that any such offense shall not be ignored if the defendant violated any term of probation imposed by the court granting first offender treatment or committed another crime and the sentencing court entered an adjudication of guilt as to the crime for which the defendant had previously been sentenced as a first offender.
